NEW SERMON SERIES: Freedom In Christ

We believe it's a priority to exercise our faithfulness and devotion to God in worship and message. In light of our current situation, how fitting it is that we speak about Freedom in Christ! We experience true freedom in Christ by knowing Him, walking in His ways, and engaging with the changes He makes in and through our lives.

FRIDAY NIGHT SERIES: S.H.A.P.E.; 19 & 26 FEBRUARY, 05 & 12 MARCH, 7.30pm – 9.30pm

This year we look forward to creating space for authentic relationships and spiritual growth. We are all uniquely shaped by God for His purpose. There is no one in the universe like you and that is not an accident. Discovering who you are and why God made you the way you are will help you in your job or career, bring focus to your life, make big decisions, share the love of God with others and most importantly, bring glory to God! We trust that this study series will help you take big steps into maturity in Christ! THE PARENTING COURSE; 07 MARCH – 11 APRIL ; 9.15am – 10.30am

The Parenting Children Course consists of five sessions, designed to equip parents and carers of children from birth through 10 years, and parents-to-be, with long-term strategies to equip their children for life by looking at Building strong foundations, Meeting our children's needs, Setting Boundaries, Teaching healthy relationships & Our long-term aim. The course emphasises the role of family, and acknowledges that there is no instant recipe or formula in raising children – different situations and different children call for different approaches. However, there is a general acceptance that some principles apply to all families and there is great value in discussion with other parents. Registration is required. <https://www.eventbrite.com.au/e/the-parenting-children-course-tickets-143021293539>
